

SPECIAL APPLICATIONS INDEX

Abrasive dust – sandblasting
 Advanced Dust Collector Technologies,
 and Engineering Specifications
 Air injector
 Airlock Bridging
 Air shower
 Aluminum De-burring
 Aluminum Plants (Primary)
 Aluminum Pot Lines
 Arc Furnaces
 Arc Spray, Cartridge collectors
 Asphalt Aggregate Dryer Collector
 Asphalt Aggregate Dryer
 Asphalt aggregate dryers
 Asphalt Aggregate Plants
 Atmospheric Filtration
 Bin Vent
 Black Iron Oxide
 Bleed-in Air
 Boiler Design
 Boilers, pre-cleaner and spark arrestor
 Brass furnace, Fire hazards
 Cartridge dust collectors
 Filter ratio
 Folding of pleats in cartridge style filters
 Low Emission Guarantees
 Spherical Dust
 Tandem design
 Cement Plants
 Cement-silicone bags
 Clinker cooler vent
 Combustible dusts
 Conveying systems
 Cooling of pulse jet
 Corrosion Amerex NFNY
 Design flaws
 Dryer application
 Dust Behavior
 Dust Holding Capacity
 Dust Loading
 Explosion Survival and Prevention
 Explosion Venting
 Fiberglass
 Filter Ratio
 Fires – Foundries
 Fires - Smelting process
 Flame Spray collector
 Freezing of valves in dust collectors
 Furnace exhaust
 Furnace fires, cartridge
 Glass dust
 Gortex media on boilers
 Gortex and PTFE laminated media
 Grain and Flour Dust
 Gunpowder
 Gypsum Dust
 heater furnace
 high temp lasercutting
 High Temperature Cutting
 High temperature laser cutting
 High temperature plasma cutting
 Hopper Fires
 Incinerators, Boilers & technologies
 Inlet Designs
 Intake Filters turbines
 Low emission guarantees
 Manifold heaters
 Material Handling and Transfer Points
 Mechanics of collection and cleaning
 melting process
 Metalizing Spray
 Milk dryers
 Mining application
 Moisture and freezing in pulse jet collectors
 Munitions Manufacture
 Natural Gas Combustion
 Nitric acid treatment
 Oil Bath
 Oily Welding Smoke
 Organic vapors
 Pharmaceutical dusts
 Plasma cutter fires
 Pleated Filters
 Polypropylene bags
 Power plant emissions
 Precious Metals furnace
 Pressure drop
 Pressure switch cleaning
 Pulverizing charcoal (hammermill)
 Radon gas
 Reactor vent size
 Reply to consultants
 Review
 Savingseer
 Seals, gaskets and bag installation
 Shot Peener
 Silo Vents
 Sithes furnace application.
 Smoke, dry and liquid
 Spice Dust
 Star Bags
 Static Electricity
 Sugar Dust
 Thermal Spray
 Tire recycling
 Titanium Dust
 Tobacco Dust
 Turbine Intake Filters
 Welding fume
 Welding, laser, plasma arc fumes
 Wet Collectors, surface tension
 Wet dust, odors, smoke
 Wood Dryer
 Wood Fired Boilers
 Wood Pulverizers
 Woodworking
